*) Spatii angustiis coactus quae in singularum paginarum calce collocari debebant in hanc appendicem congeSSI, quam Donateam quaestionem tractaturis neque ingrata neque inutilem fore spero. Continet autem indicem eorum locorum, quibus locis aut veteres auctores eadem vel similia exhibent, atque in Donati commento leguntur, aut nostrae aetatis viri docti de singulis adnotationibus disputaverunt; accedunt nonnulla, quae ad crisin et analysin pertinent. Alio loco uberius de hac re disputare in animo est.
