Jan[uary] 7th, 1896.

Professor Dr. Vaihinger, Halle a. s., Germany.

Dear Sir:

I have the honor to acknowledge the receipt of your post card¹ of Dec[ember] 25th and also of the copy, which you are good enough to send, of the prospectus of Kant's Studien.² I shall take a great interest in the matter, as I am carrying on some studies in this direction³ myself and have this year fifty or sixty students in the Kantian Philosophy.

Thinking you may not have seen it, I send you herewith a copy of an English version of the Dissertation of 1770,⁴ prepared by one of my students last year. I should be glad to assist your project in any way in my power.

Yours truly,

Nicholas Murray Butler^a
